

RECOGNITION OF PREVIOUS QUALIFICATIONS (RPL) POLICY

All AQF qualifications and statements of attainment issued by other registered training organisations (RTO) will be recognised by **REAL ESTATE EXPLAINED** and, where appropriate, will be used to reduce any training program being offered.

REAL ESTATE EXPLAINED also believes participants may have skills and knowledge that would be covered in some of the training programs offered. Participants should apply *at time of enrolment* to have their skills and knowledge assessed and where appropriate, may have their training program reduced.

Application for “Recognition of Prior Learning” may be made at any time during the program. Application packs are available direct from **REAL ESTATE EXPLAINED** management or can be downloaded from this website.

Please refer to **REAL ESTATE EXPLAINED** management for the scale of fees and charges that apply.

Please note that the CHIEF EXECUTIVE OFFICER has the sole discretionary right over the granting of RPLs by **REAL ESTATE EXPLAINED**, although the consultant has the opportunity of comment on the participant’s application.
